

ALS DTS 12" Mounting Base for all ALS fittings

ALS has developed its own mounting bases that are suitable for all of our LED light fittings. They are designed to universal IEC standards so any compliant fitting can be installed using these tough and durable aluminium bases.

Features:

- Bottom hole or side entry for electrical connection.
- Universal IEC Compliant design.
- Side entry (single on one side and double conduits on opposite side)
- High Pressure aluminium casting
- Anodized surface for protection.
- Perfect machining to complement ALS fittings.

The base can be combined with the adaptor ring and ALS LED light to make a complete new fitting.

ALS DTS 12" Mounting Base for all ALS fittings

12" Mounting Base	12" Adaptor Ring Mounting Accessory to take 8" fitting
Order Code DTS-BASE12	Order Code ADAPTOR 12-8
	
12" ALS light fits into 12" base	8" DTS light fits into 12" ring and 12" base
