

Heliport Circle Marking Kit (Touchdown and Position Marking)

TD/PM Circle-H offshore Helideck landing system for Helicopters.

Manufactured in tough LED panels, CAP437 approved lights in Circle and "H" shapes.

Offshore Heliports employ a wide range of offshore landing facilities, including touch-down lighting system, positioning and circle markings.

Compliance

- ICAO Doc 9261, Heliport Manual, Fourth Edition 2020.

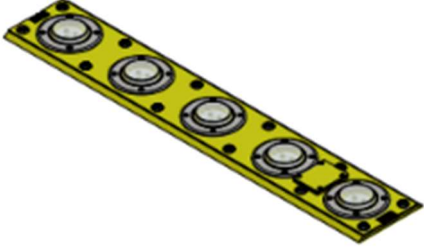

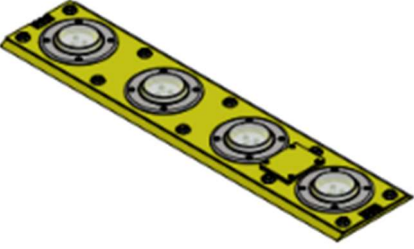

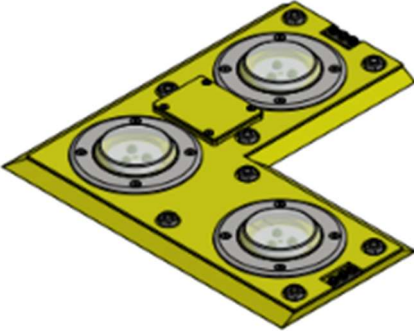

Features

- 48V DC supply 100/30/10% dimming options
- Housing: powder-coated aluminium, aviation yellow or white
- Disperser: hardened glass
- Disperser flange: nickel-plated ring
- Fasteners: stainless steel
- Light fixtures are UV protected

Environment

- -55 to +55 degrees Celsius
- IP68
- Ka Salt Mist tested to IEC60068-2-11 and IEC60068-2-25
- TD/PM components built to withstand pressure of 1.655kPa (240 lbs/in²) and ideally 3.250 kPa (471 lbs / in²) without damage.
